wakhma

tell me

was i the only one to feel this way

tell me

you ever miss me at all

i let you go

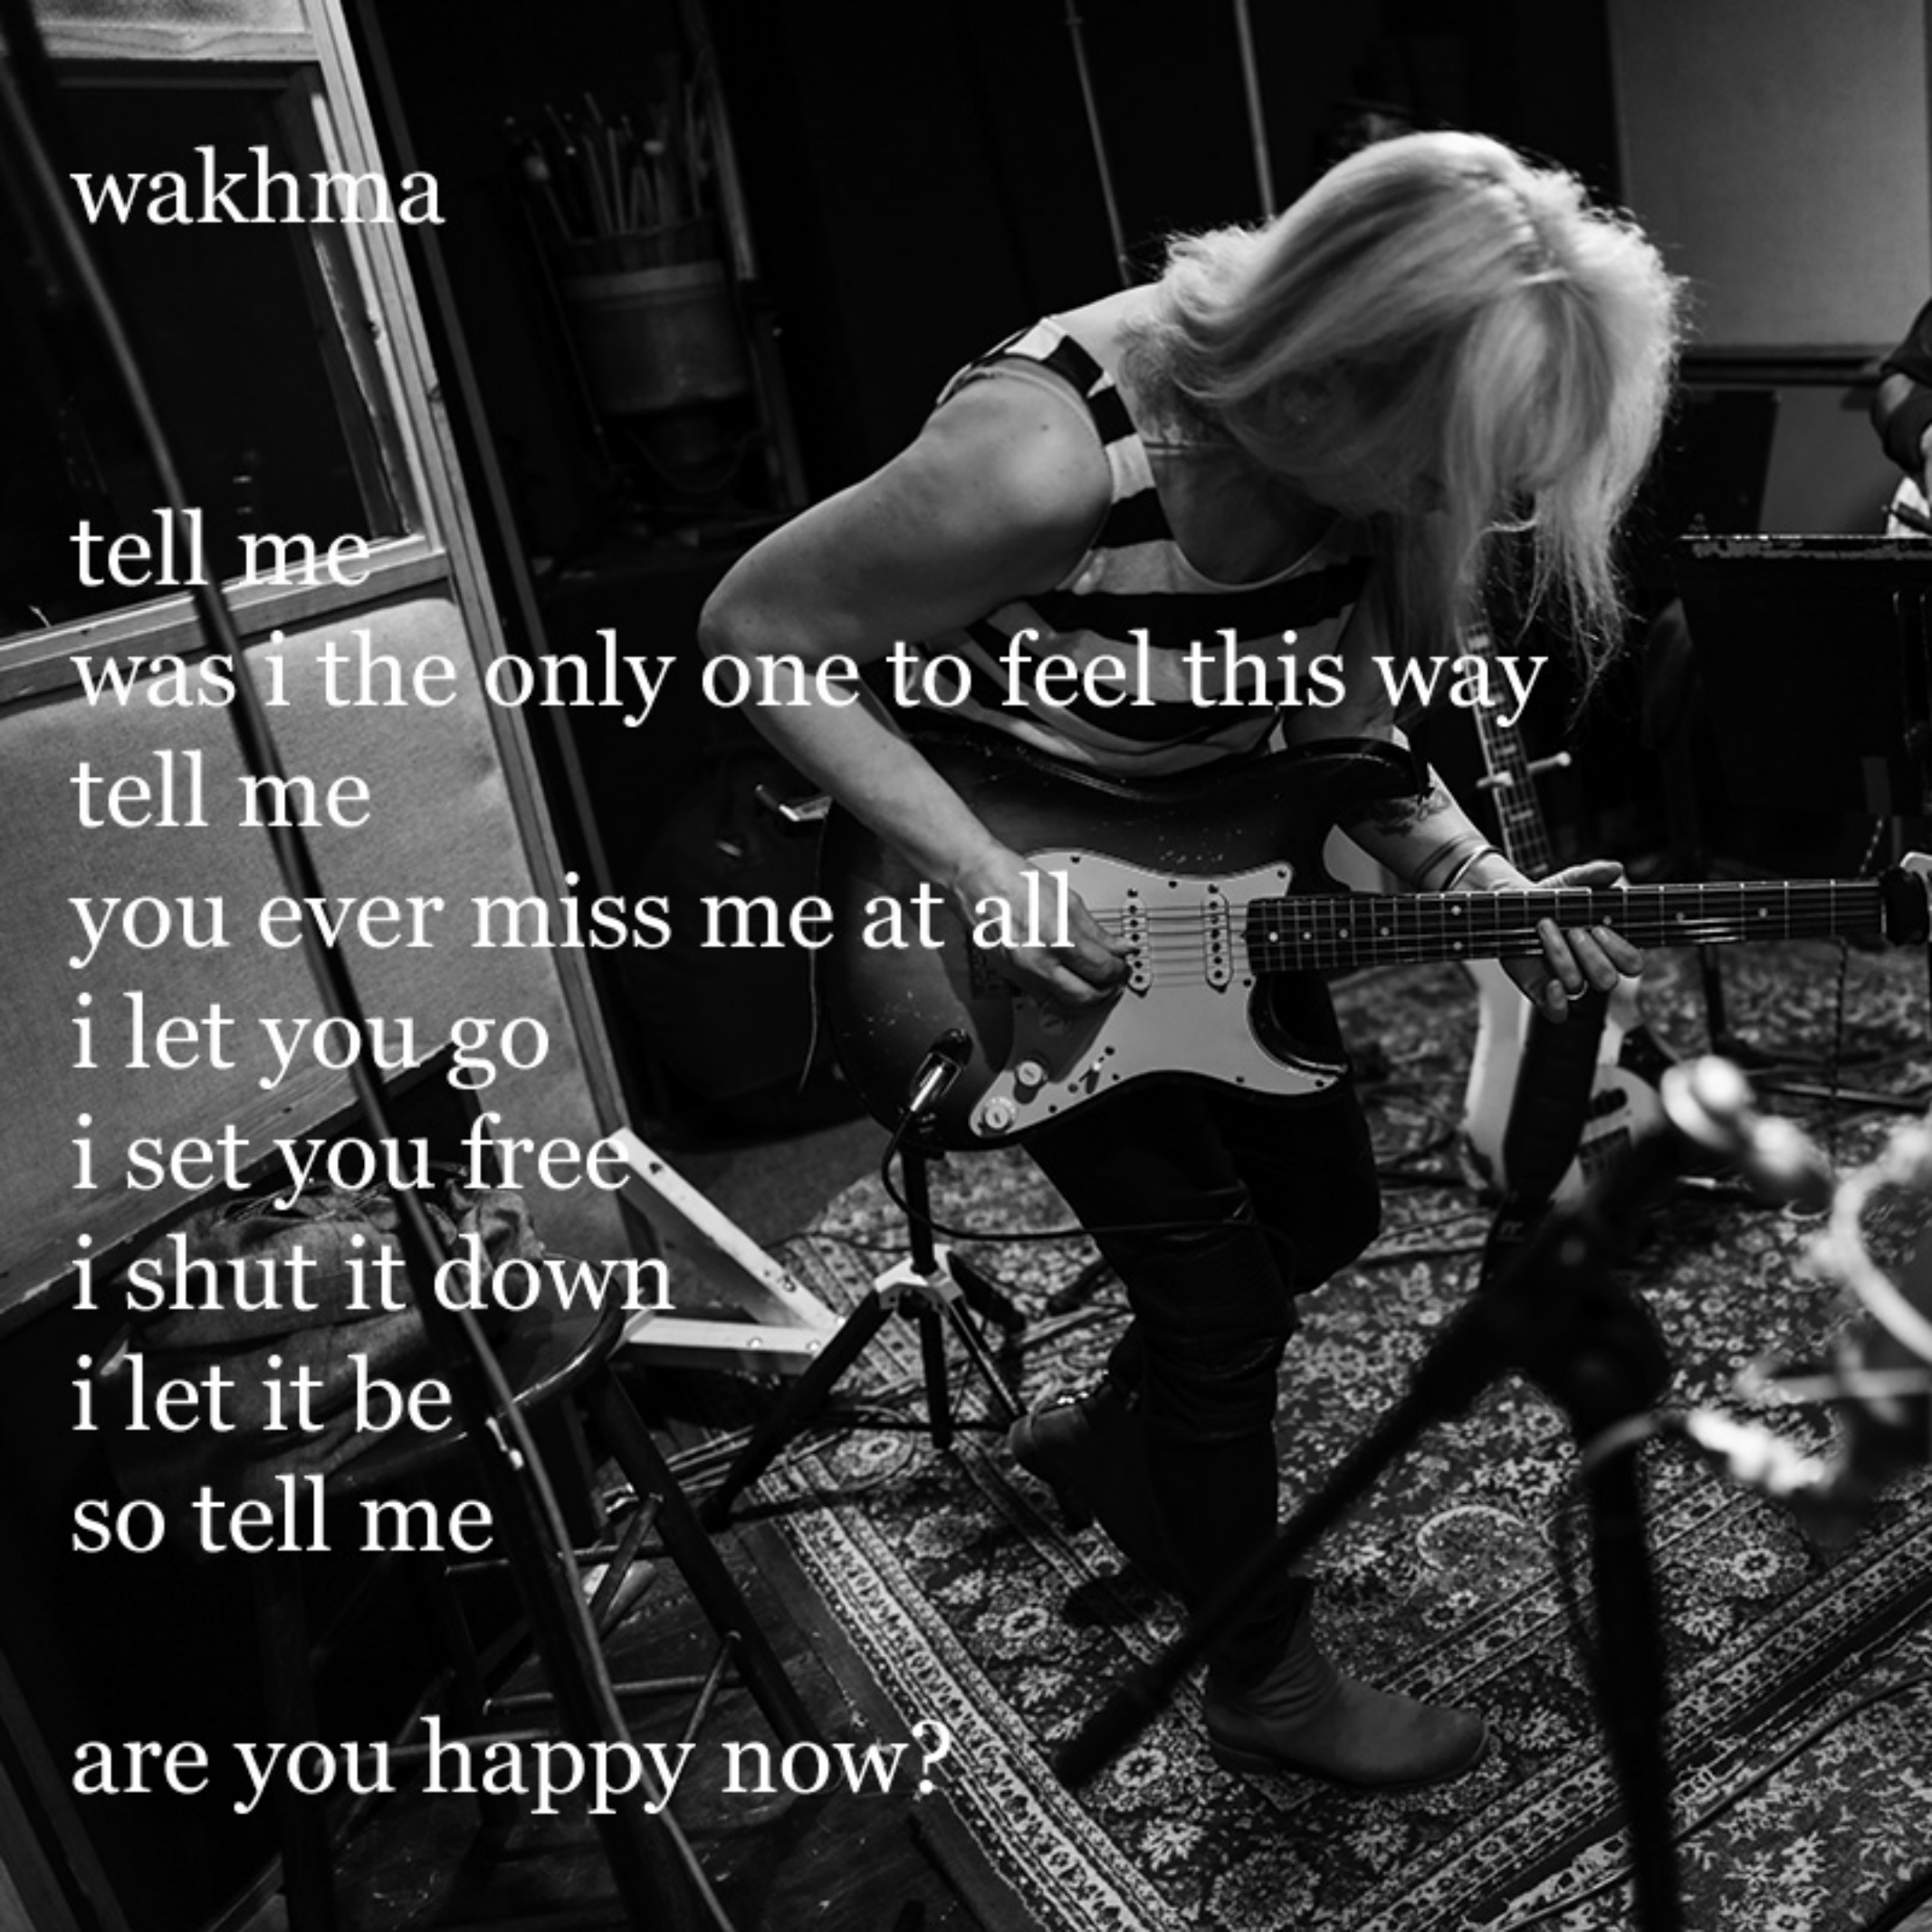

i set you free

i shut it down

i let it be

so tell me

are you happy now?

wakhma, wakhma ni nob ngama

i miss you
when the sun goes down
i miss you
when the day is done
you said don't worry now
we're gonna be alright
sweet baby sleep
in my arms tonite
i miss you
when night time come

wakhma wakhma ni nob ngama

wakhma wakhma ni nob ngama

love is
my savior and my defeat
love is
all that matters when we leave
the sun shines on my windowsill
the city is quiet
my heart is still
and love is all that matters now.
